# Words are Birds

*Excerpts from a poem by Francisco X. Alarcon*

words are birds that arrive with books and spring.

---

they love clouds, the wind and trees.

---

some words are messengers that come from far away, from distant lands.

---

for them, there are no borders -- only stars, moon and sun.

---

some can stand the cold.

---

others migrate with the sun to the south.

---

the letters on this page are the prints they leave by the sea.
